ACCEPTANCE

FIRST & LAST NAME: _____

Acceptance means: "It's OK to be different!" Ask a grandparent, aunt, uncle, cousin or other family member about what it was like to celebrate a most loved holiday when they were little. What was the best part for them? What was a little bit different about the way they celebrated the holiday in their family? Draw a picture showing your relative celebrating their most loved holiday and show us what made it so special!
